Team Specifications:

A team may consist of maximum 4 members.

Round 1: You think you can decode

Participants need to decode 3 morse codes and 2 riddles which will lead them to their respective escape room. The password to the next room will be divided into 5 parts. Solution to morse codes and riddles will give them the required password.

Time limit for this round is 10 minutes.

Top 10 teams who complete their task the earliest within the given time will be qualified for the next round.

Round 2: Guess it to escape

Escape rooms are just the beginning of the quest! There are 3 clues hidden in the artifacts. To find these artifacts you need to guess the riddles. Find the clues and get the password for unlocking the next level.

Time limit for this round is 15 minutes.

Top 4 teams who are able to escape within the given time will be qualified for the next round.

Round 3: Run through the Maze

Participants need to explore through a maze where clues provided would help in coming out of it. Solve a riddle at every doorstep and find a way to get out of it but be careful not all doors would lead you on the correct path.

Time limit for this round is 20 minutes.

Top 2 teams will get qualified for the final round.

Round 4: Survival of the fittest

It's the last round, you are one step closer to victory but you got to prove how worthy you are. You have to make tough but right decisions, choose the right path to complete the challenge. This round will test your abilities to make split seconds decisions and problem-solving.

In case of a tie, the participant who completed their task in minimum time will be announced as a winner.

Note:

1. In each round you have a choice of taking a hint if you get stuck at a clue.
2. Taking a hint will surely help you get through the rounds but it will come at a cost.
3. For each hint you decide to exploit a penalty of 10 seconds will be added to your time.
